

Our annual Christmas program will be held on:
Thursday, December 15th
@ 1:00pm on

Since many of you work during the day, I wanted to let you know the time and date as early as possible so schedule and vacation requests could be made in time.

For those of you, who are not used to a day performance, let me first express my gratitude for clearing your schedule to be here for your student. Next I'll answer the question, "Why don't you do it in the evening?" Evening performances conflict with family activities and Christmas time is one of the busiest times of the year. We find on average across the nation that 10% to 20% of students do not show up for evening concerts! How sad that those students, after all of their hard work and preparation, don't even get a chance to participate in the concert. With a day performance, the only students that miss out are the ones who, unfortunately, are sick on that particular day.

Just so you know, students traditionally dress up for that day in their favorite holiday themes or colors but, of course, any color is acceptable.
